ABOUT US!

ANS Light Zone is a venture of **CAPTECH International**, Dubai. ANS Light Zone is established in the year 2019 in India to provide lighting solutions by manufacturing and distributing a wide range of LED lights and electrical solutions for indoor, outdoor and industrial usage.

ANS Light Zone is currently expanding our markets in India under the brand name Wester. We offer you the best LED technology and electrical equipment, making Wester the most sustainable alternative to traditional lighting systems. Our products are designed to achieve optimal performance at all conditions with high endurance thereby ensuring quality in our service.

OUR PURSUITS

ANS Light Zone's operation in India has the following business activities :

- Manufacturing and marketing of LED lightings and Electrical items.
- Supplying electrical items for industrial and institutional orders.
- Expanding its market presence in retail market by trading consumer goods and establishing retail outlets.
- Trading general commodities and capital goods.
- Undertaking private and government Infrastructure projects.

MANUFACTURING AND MARKETING LED LIGHTINGS.

We are an innovative manufacturing and trading company providing outstanding solutions in LED Lightings, Electrical items for domestic and industrial usage and cable components for a wide range of customers. **Wester**, as a brand envisions to dominate the LED market in India. With energy sustainability as the way forward and quality as defining feature of our products we will ensure the right product reaches the end user at the best price.

WESTERTM
enlightening people

SUPPLYING ELECTRICAL ITEMS FOR INDUSTRIAL AND INSTITUTIONAL ORDERS.

Since our inception, ANS Light Zone is promoting our business by exploiting state-of-the-art technologies that enables us provide our industrial and institutional clients with most advanced, excellent products and services to meet their needs and expectations. Guided by our vision to supply clients with top quality and durable electrical items, we leverage the wide experience achieved in our international operations for procurement, thereby addressing the diverse needs of our clients.

EXPANDING ITS MARKET PRESENCE IN RETAIL MARKET

ANS group is committed to expand our presence in India and create a market exclusive for our LED products in both wholesale and retail. Our plans include developing establishments where our entire LED range of products including popular bestsellers, specialty products and recent innovations will be displayed in all its glory. We established our retail presence by establishing plumbing and electrical products showrooms across Tamilnadu.

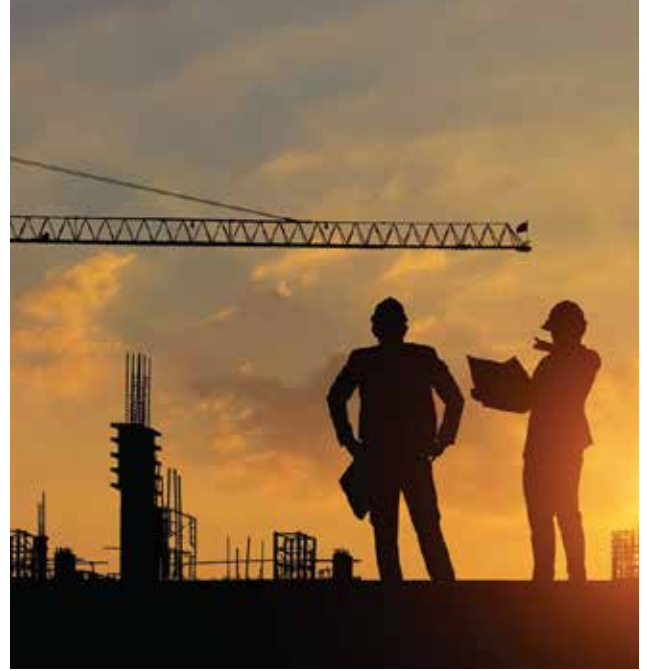

TRADING GENERAL COMMODITIES AND CAPITAL GOODS.

As a trading company with expertise in the field, ANS Light Zone aims for trading general commodities and capital goods in India. We trade a wide range of high-quality consumer goods and materials by leveraging our partnerships with world-class manufacturers. Our goal is to supply clients and end customer with best quality product at better prices.

UNDERTAKING PRIVATE AND GOVERNMENT INFRASTRUCTURE PROJECTS.

ANS Light Zone is ready to partner with innovative Government and Private Infrastructure projects. We offer a range of solutions for infrastructure projects in all its aspects like Electrical projects, Street lighting projects, AMC projects, MEP works, Road works, highway projects etc. We tailor our services to deliver the best solutions that meet your needs with our skilled labour force driven by expert management team. We bring our global expertise to achieve your goals. Our commitment to our clients in their projects begins from its very inception till its completion in time as per design requirements.

OUR MISSION & VISION

To emerge as one of the leading producer of LED lights that meet customers' expectations in design, reliability, innovation, cost effectiveness and excellence in quality.

Select your fellow players

Each detail contributes to the whole picture. Even unnoticed, our luminaires play a significant role. Changing the perception, ruling the atmosphere. Pure design and simplicity make them discreet, yet effective. The fellow players you can always rely on for an illuminated world.

Quality in every detail

Perfection may be boring, quality never is.

Our products are carefully planned, manufactured and tested in order to ensure reliable operation throughout their life span, to limit the environmental impact as little as possible and to co-create pleasant living conditions. Quality is our highest priority and way of life.

B22 LED BULBS PREMIUM SERIES

TECHNICAL SPECIFICATIONS

Colour Temperature	3000K/6500K
Power Factor	> 0.95
Surge Protection	4 KV Surge
Input Voltage	AC 90-300V
Base Type	B-22
Colour Rendering Index (CRI)	> 80
Total Harmonic Distortion (THD)	< 20%
Ingress Protection	IP40

MODEL WATT

WS1101-1007	07 Watt
WS1101-1009	09 Watt
WS1101-1012	12 Watt

High Brightness
Long life
Energy Efficient
Compact design

T5/T8 LED TUBELIGHT PREMIUM SERIES

TECHNICAL SPECIFICATIONS

Colour Temperature	3000K/6500K
Power Factor	> 0.95
Surge Protection	4 KV Surge
Input Voltage	AC 90 - 300V
Base Type	Wall / Ceiling Mount
Colour Rendering Index (CRI)	> 80
Total Harmonic Distortion (THD)	< 20%
Ingress Protection	IP40

MODEL WATT

WS1102-1010	10 Watt
WS1102-1020	20 Watt
WS1102-1022	22 Watt
WS1102-1036	36 Watt

High Brightness
Long life
